- The parks for sure
- The reserve
- The reserves
- The Sugar Creek Reserve
- Run/walk paths
- Walkable community/Love the Parks District, but would appreciate a walking path from Dots to Magee park, always see kids jumping over the guard rail.
- Community and schools
- High school area
- Schools, sport fields, Blueberry Cafe, Dairy Shed
- The schools
- The schools, Sweet Arrow Reserve, Sugarcreek Metro Park
- Small Community but great atmosphere.
- small feel, small downtown
- Small town
- Small town, safe, quiet, the people are the best asset.
- The small town atmosphere is good. Sugar Maple Festival is great and should be expanded. The central business area should be updated to attract more visitors and new business
- The farm land and small town feel
- Southern area
- Love the trees overhanging the roadways
- mature trees and country atmosphere
- North West section of town
- West side of city
- Nothing...the downtown looks awful!! For being a more wealthy community our downtown area needs major help!!
Which part(s) of Bellbrook do you find least attractive?

120 of 153 Answered (78.4%)

- Entrance to Bellbrook by fire station on Franklin
- Apartments
- bayberry cove
- Junk in driveways and/or yards.
- low income housing
- Ryder Court
- The Dollar General Store and the storage area at the corner of Washington Mill Rd and E. Franklin Street. Also the subsidized housing (Bayberry Cove) on W. Franklin Street.
- Non occupied businesses
- Aging homes on Main Street heading away from downtown, penewit hardwarre building falling apart
- Closed businesses
- Closed shops
- Dart / old Penewit building
- Dart bldg
- dart building
- DART Building downtown
- Dart building on corner of Franklin and Main St.
- Dart construction buildings
- downtown
- Downtown
- Downtown lacks parking and ambiance
- Downtown needs some love
- Downtown residential area
- Downtown shopping plaza
- Downtown signage for retailers. Very difficult to see from the road, some not lighted.
- Downtown signage is old and difficult to see
- Downtown to an extent. Some of the buildings are nice and historic, but overall there is just something that has a slight run-down feel to it downtown. It’s not lively at all.
- Downtown, especially Main & Franklin corners
- empty buildings downtown
- few downtown businesses
- Main intersection downtown
- Most of the buildings which comprise the downtown
- Penewit Hardware site, Firehouse (Architecture) Business across from City
Bldg (pizza & salon for hair)
- Plaza of Blueberry Cafe (needs a freshening up)
- Some off the buildings downtown look a bit rundown/poor upkeep
- Streets, curbs, sidewalks, & lighting are deteriorating and unattractive.
- That storage warehouse by the bike shop
- The buildings near dance studio need repainted & cleaned
- The City Building, Dart, the unattractive signage, the corner bar, too many junky signs
- The Dart building; 79 Franklin St building; the bridge near Dot’s (we need a foot bridge away from traffic)
- The downtown area, particularly S. Main St. and W. Franklin are boring, dated, and lifeless.
- The old hardware store on the corner of 725 downtown
- The old Penewit Hardware store is an eyesore right on the corner
- The ugly empty building on the corner
- The vacant buildings at the center of town. Also, limited or no public parking. Maintenance of public easement areas and storm water drainage needs to be improved.
- The vacant buildings in the downtown area and the lack of science elements in the area.
- Traffic downtown during certain times
- Unused corner bldgs at main downtown intersection
- East side of town
- Areas/homes that are not maintained.
- Certain Run down houses on 725
- Homes in town
- Residential homes look very ill kept
- The run down sections
- Upper hillside
- All the new construction going up everywhere
- All the new housing
- Being over built
- Construction areas
- Houses on top of each other
- New apartment development on feedwire
- New construction
- New home construction areas
- New housing across from Little Sugarcreek near Dots Grocery and the old Penewit Hardware bldg.
- New housing and construction sites
- The building developments with cookie cutter houses on small lots that tore down the trees
- The new development across from the school
- The overgrowth
- Wilmington Pike and the growth and over population
- Old school
- Old school building area by the former Eagleland
- Loss of green space
- Not enough parks, especially ones kids can walk to
- Sackett Wright park
- The driving range area
- Bad parking and bad roads.
- Bike paths...replace with sidewalks. And lack of curbs in residential areas.
- Clyo Road
- Crumbling sidewalks
- Little Sugarcreek Rd deteriorating.
- Lots of trash on roads
- Manhole covers in roads, roads torn apart with gravel in them, police love giving tickets
- Now, the entrance into Possum Run with all the newly installed utility poles, tacky!! Should have been underground
- The deteriorated roads in Winterhaven plat.
- Skyline Chili and Plaza Shopping center nearby
- Wilmington Pike
- ???
- Beer stands at the maple syrup festival definitely not for my family
- Centerville
- Doesn’t seem very diverse
- N/A
- No leaf pick up
- None
- None
- None

What kinds of improvements could be made to make Bellbrook a more desirable place to live?
124 of 153 Answered (81.0%)
- Bring back the 5 acre minimum
- Stop all the congested, small lots building of homes.
- Sidewalks to connect the town. We live off N. Belleview which has no walks since the houses were built in the 50/60's
- When this was farm country. New developments have walks but the city needs to add more for safety and future growth.
- None, just don’t allow additional housing
- Wider roads such as E. Franklin St. (main road),
- Lower property taxes
- Keep it small town friendly! Stop building on every piece of open area. Enforce zoning codes fairly and across the board.
- More events to draw people downtown
- Spruce up downtown
- Stop adding crowded housing plats. Wilmington Pike traffic is already a nightmare at rush hour.
- larger library or community room added to library
- Affordable housing options
- create a pedestrianised zone at the center of the city
- better connectivity between parts of town by foot or bike – should be bike path/sidewalks to connect every part of town
- Improve roads
- Bike path
- Sidewalks/street lights in more neighborhoods
- Lower property tax
- More destination type places
- Make penewit hardware a more vibrant store front
- turn the old sugarcreek elementary into a real community center i.e. gym, rec facilities and class offerings
- Larger library or addition
- Lower property taxes!!
- smoother roads and sidewalks along S Linda
- bigger library
- Adding those types of businesses
- Little Sugar Creek Bike Path and Path to Sugar Creek Metropark
- The downtown needs vast improvements for pedestrians. The buildings need a facelift, and would benefit from zoning that included mixed-used properties. Integrate housing and commercial spaces, and offer housing units in/around downtown for all incomes
- More cycling markings on streets
- Pedestrian Friendly
- Bike path connection, playground south of 725, West of downtown
- Would like to see development/housing that makes use of new energy efficient technology like solar panels etc. Would like to make sure green spaces are preserved and Bellbrook considers becoming a Tree City.
- Antique lamps in the downtown area, maybe some pavers--anything to give it a more Historic feel
- More community activities
- STOP letting people burn stuff on their properties!!!!!! I am very allergic to smoke and cannot ever open my windows because someone is always burning something. It is ridiculous that we cannot enjoy our yards without having to smell smoke.
- Downtown updates
- Some portion of the real-estate taxes should be used to improve city services and expand the downtown retail area.
- sidewalks, bike friendly
- Get some architectural help and look at charming cities outside of the whole area for ideas. I feel that the architecture committee needs to broaden its horizons.
- YMCA or recreational space with a gym, pool, basketball court, etc.
- sidewalks on little sugar creek and feedwire rd
- Less smaller lots for housing
- Limit new housing
- Renovate the older buildings in particular the DART building. Add decorative street lamps, revitalize the residences on Franklin as you drive east from downtown.
- Better parking/driving lanes near Blueberry Cafe
- More small businesses
- More ways around downtown
- more sidewalks/bike trails to the parks (especially to Magee park). KidsCommons, More ADA compliant eateries, a splash pad
- park upkeep for parks as tennis courts are run down -courts for the high school
- More parks, bike paths
- stop selling land to developers that shave off trees and have small lots
- Neighborhood parks/playgrounds
- Nothing!
- We love it
- Better care of roads. We live on Glenberry Circle and our roads only get the slurry coating. The road is breaking up and looks unsightly.
- More night life activities, expand city to possibly lower taxes
- Repave some residential streets!
- Make the bike path/streets/roads safer to navigate. Bring trendy shops to the area.
- Added walkability
- Annexation of parts of Sugarcreek
- Dairy shed is a big attraction but you are in a parking lot. Kids/cars don’t mix
- Get people to do more business in Bellbrook.
- Expand library
- Allow some new construction that would liven up the downtown area. A lot of people here have dogs, so a dog park out by Sackett-Wright would be nice.
○ better control of rainwater run off
○ More walkable. Bike paths on both sides of 725 and Main St. Especially up to the schools.
○ Stop knocking destroying land and stop building houses
○ More businesses
○ Stop building on every section of land. leave the wide open spaces and beautiful farm land alone!
○ Sidewalk on little sugarcreek and parking downtown
○ More sidewalks, business corridor on 725
○ A better path to walk to town from surrounding neighborhoods; more shopping; a reasonably priced restaurant
○ sidewalks / curbs in Belleview Estates
○ Publicized requirements for lawn maintenance
○ More parking, ability to walk to there from our neighborhood, the highest income neighborhoods have no walking access
○ lower property taxes
○ Curbs, more sidewalks.
○ lower the property taxes
○ Lower taxes
○ clean up the old Penewit Bldg (Darts) make more parking
○ More Green Space
○ Larger lots
○ Less rules
○ Redoing the roads
○ Some sort of shift from mere bedroom community to that of a HOMETOWN with civic pride.
○ Sidewalks. More regulations on upkeep of yards (remove junky cars, etc.)
○ none it is OK
○ Controlled grown and fight off annexation by Centerville and Kettering
○ Downtown parking to attract business.
○ safer walking
○ bigger library
○ More live music
○ Lower school taxes
○ Condominiums or patio homes in a 55+ community (NOT apartments)
○ N/A
○ No more apartments
○ Bike/walking paths downtown. More attractive Main Street
○ Truly....just a friendlier, more vibrant downtown. People sitting at outside cafes, shopping, strolling tough with the buildings so close to street
○ Curbs, brick sidewalks, gas lights, pedestrian crossing, walkways and bikeways, PARKING, signage.
○ Encourage more small businesses.
○ Add a leaf service
○ First off I would get decent flags and Christmas ones that are better than what we have to date. I like the current logo and think that should be on flags so you don’t have to stand on head to read “Bellbrook”
○ You do a great job
○ Keep a restaurant open across from Dots
○ enforce home owner and street codes motor homes trailers junk cars trash on land
○ More parking and things to do downtown
○ Avoid overbuilding, especially the way sugarcreek is going
○ Playgrounds in residential areas
○ We need to quit have so many open field parks. Turn one into a splash park for families. These are a huge hit!
○ More support for our growing schools
○ lower property taxes
○ Street Lighting, and remodeling of aging downtown buildings.
○ Improve downtown or improve some of the curb appeal of houses on Franklin Street leading into town. Add better biking ability to downtown.
○ Open space
○ Updates to City owned properties downtown, provide more public parking downtown for businesses
○ Darts building needs to be renovated.
○ Keep the green rural look to our town.
○ sidewalks
○ We need sidewalks throughout Bellbrook
○ Some business to be kept upkept
○ Clean up south side and the section 8
○ Leave the land alone and stop building more houses
○ condos for seniors
What do you consider Bellbrook's most valuable asset?
134 of 153 Answered (87.6%)

- Being a hidden gem in the area. It's remote but very close to everything we need.
- It's location, Sugarcreek Reserve, the fact that not every piece of land is built on
- Location
- Location is not far from larger cities but feels rural
- Location! Travel a few minutes east to go to the country and a few minutes north or west to go to malls and entertainment
- Not too far from Dayton or Cincinnati
- City Services
- Public Safety Services and Road Department Snow removal
- Public services
- The water system
- Close community
- Sense of community
- Strong community attitude
- The Dairy Shed. It probably brings more people to the downtown area than all other Bellbrook businesses combined.
- Dots market
- Quaint downtown and city parks
- A wide variety of housing types. There are low cost options all the way up to over millions.
- Affordable housing and great schools.
- Library

If you could change one thing about Bellbrook today, what would it be?
118 of 153 Answered (77.1%)

- 5 acre minimum lots
- Add a pedestrian bridge
- Add a sidewalk on Little Sugarcreek
- Add an income tax provided reciprocity so 3 percent of my income doesn’t go to moraine.
- However wpafb employees may object.
- Add connecting sidewalks to every street
- Add free Electric vehicle plug-ins
- Add sidewalk along little Sugarcreek from feedwire to franklin
- Added recreation for kids indoors during the winter
- All the growth
- another family friendly bar downtown
- Beautify the Downtown - more pedestrian friendly, more businesses, more nightlife/events
- Bellbrook is a low crime area see more speed traps set up than police driving around the subdivisions
- Bellbrook needs to support the businesses that are here allowing nice looking signage. Brookview Swim Club may not survive because there is no way to easily guide residents to it. Most people in Bellbrook don't know that it exists.
- Better bike / walking access to and thru downtown.
- better control of stormwater run off
- Better kept residential areas.
- Better lighting along bikeways
- Better walkway and bikeway connections. This would encourage healthy lifestyles.
- Bike path needed
- bring back eagle land
- Build a better library, have a better rec center and have bike paths everywhere.
- Control the growth!
- Darts and downtown
- Do something for community at old Sugarcreek Elem
- Downtown
- Downtown area
- Downtown area upgrade. Better quality signage, more curb-appeal.
- Downtown, especially sidewalks & signage
- Enforce traffic laws (35 mph speed) on Feedwire near main entrance of Kables Mill.
- Fix up Downtown and add more charm and reason to go Downtown.
- Get rid of the congested, small lot homes but that won't happen.
- Go to Loveland, Ohio (NE Cincy) and see how they turned around that area. You need to contact their city manager and get tips on how they transformed their small downtown.
- Going back to the small town feel. Not developing every plot of land
- high cost of real estate taxes
- HTTPS://seniorplanet.org/the-village-model-a-neighborly-way-to-age-in-place/ Create a "village concept" for seniors so aging in place is not so difficult.
- I wish the houses looked nicer
- I would NOT change the small town feel (so hard to find elsewhere).
- Anything is change would support that unique town feel (similar to Yellow Springs) that brings visitors to it, but doesn't make it clad with chains and box stores
- I'd make the downtown area more vibrant
- Improve business appeal and expand city to take over all properties tied to water system
- Improvement that attract visitors and businesses to the downtown area.
- Install more sidewalks.
- Internet service options
- Keep the community small.
- Keeping it small town friendly and scenic
- Larger library
- larger library
- Less housing developments
- Less new homes being built
- limit street parking in south western Bellbrook
- Liven up the downtown area - it’s quaint and provincial, but it is BORING! It’s mostly a pass-through zone.
- lower property taxes
- Lower taxes
- maintain roads / streets
- Make downtown similar to Waynesville where it is a focal point of the community instead of a drive through area.
- More bike/walking access to downtown
- More diverse
- More family dining options
- more food options
- MORE GREEN SPACE!! Quit building all these houses on little lots!! Quit giving our land away!!!
- More parks, a splash pad
- More robust downtown, connection to bike trails
- More shopping downtown similar to Yellow Springs
- More sidewalks!
- more sidewalks; more parking downtown
- More tax $$ to support the schools
- More walking/bike paths
- Need more sustainable eating places downtown
- no bike trail needed they all ride on the street
- No more house lots smaller than 2 acres, no more apartments at all.
- No opinion
- None
- Not wanting to annex any land into the city for further development.
- Nothing
- Nothing
- Pedestrian Crossings, Walkways, PARKING, LIGHTING
- Pedestrian friendliness
- place a splash pad where castle park was and reclaim the old school and convert into a 2-story Kidscommons Center for Science and the Arts with an annual membership fee reduced for Bellbrook residents and a daily fee.
- Preserve the small town feel. That is why we moved here
- Property taxes being too high
- Put less emphasis on new housing complexes and fix/maintain the well established residential areas.
- Remove beer from the Maple Syrup Festival! It's for our kids, not drunks.
- Retirement from the military is in a few years. We bought the house with the plans of retiring here. Now, we are considering changing our plans due to all of the construction of homes. Too crowded
- Shopping and dining. Doesn’t have to be upscale, just not fast food or dollar stores. We have plenty
- Sidewalk and/or bike path on little sugarcreek rd
- Sidewalk on little sugarcreek
- Sidewalks
- Slow development
- Slow down building and construction
- Slow down the growth
- Slow down/discontinue all the housing developments. Too many people, no longer a quaint hometown.
- SPEEDERS
- Stop adding housing (esp apartments)
- Stop all the building of homes that seem to be enroaching on the community
- Stop apartment building
- Stop being ‘backwater stoopid’. We’re on the cusp of either being great (again), or becoming another down-in-the-dumps community. We’ve had great fiscal mgmt (a blessing), now we need to take stock in our societal future. Wake up Bellbrook!
- Stop building apartments
- STOP BUILDING HOUSES, APTS, CONDOS
- Stop building new stores
- Stop development! It is very depressing to see what was once a quaint, small town turning into housing hell with strip malls and insane traffic. Where we once saw deer and other wild life, we now wait in long lines at traffic lights, hemmed in by dread
- Stop new Home construction
- Stop to unchecked growth. Levys that increase taxes should not be allowed in primary elections
- stop worrying about growth. There is nowhere for Bellbrook to grow to.
- storm sewers in downtown
- Taxes
- the constant construction and new empty homes that are being built
- The Dart Building - it is an embarrassment to our community.
- the disappearing farm land. the traffic on Wilmington
- The Downtown area just seems depressed. To draw biz and people, we need retail and food along main and Franklin. And let’s please fix up the old Penewit building!
- The growth of Bellbrook concerns me. I don’t want it to get too large and this hurt the School system or safety of our community.
- the growth spurt
- The Old village appearance - the lack of control of signage
- Tomstop the overgrowth

- Would love to be a community that stands out for embracing and implementing best practices in caring for the environment throughout all phases of community life.
Which part(s) of Bellbrook needs most improvement?
102 of 153 Answered (66.7%)

- All of Bellbrook needs to be connected with walking / bike paths. The highest income neighborhoods, like the one I live in, are not connected to the city.
- Downtown and Little Sugar Creek Rd.
- Downtown area
- Downtown area and SW corner needs businesses
- Downtown as a whole
- Downtown Bellbrook. Try to increase density with more integrated housing, improve sidewalks (fix broken and increase width), remove side streets and parking lots. Add public square for events like the food truck nights
- Downtown business area, need more parking
- Downtown Franklin St.
- Downtown - I love it, but it’s in need of improvement
- Downtown is nice, but could be so much more!

- 725, going towards downtown Bellbrook
- along Wilmington between Lowe's and 675 interchange
- Between middle school and Costco
- By the high school & middle school
- By the high school – can someone repaint the street lines, please?
- Center of town
- Clyo and Possum Run
- Clyo to get into the plaza, they really made a mess of it with that boulevard and no left turn at Frischs.
- Coming out of Bellemade onto Wilmington. Speeders coming from higher speed limit don’t slow down after Centerville Station crossing.
- Compared to the mess that is Cornerstone, Bellbrook is a wonderful.
- Cornerstone and by WalMart
- Costco/675

- Feedwire Rd.
- Feedwire Road
- Feedwire Road & Little Sugarcreek.
- Feedwire Road at Little Sugarcreek. Little Sugarcreek needs to be widened with at least left turn lanes.
- Feedwire Road will continue to get worse as the homes and new residential areas are expanded.
- Feedwire/Little Sugarcreek-turn lanes would be nice; Possum Run near L. Sugar and L. Sugarcreek - narrow roads dangerous with the bikers
- Franklin
- Franklin and Main
- getting out of Regent Park
o Getting out of the library
o Going into downtown at rush hours.
  o Going into Sackett Wright- needs a back entrance!!
  o Heading to Sackett Wright on a game / practice night- all through town on 725
o I don’t.
  o I don’t see a lot of problems with traffic
  o I don’t think traffic is a problem.

- places to lock a bike downtown
- Although some of the route is through a neighborhood, the road is narrow and curvy. Would like to see a bike lane.
- Would love a bike or walking path along little sugar creek.
- Bridge over little sugar creek for bike path.
- Crossing Little Sugar Creek on the side of 725 is dangerous, particularly for kids. A separate pedestrian bridge is needed.
- no pedestrian bridge
- Road and bike path conditions need improvement & there is a gap (no designated area for pedestrians/bikes) between the bike path and the sidewalk downtown.
- The bridge is too close to traffic.
- The bridge when my kids were little.
- I live outside city limits so I can never truly walk from my home to downtown.
- Live too far out.
- Big hill.
- big hill covered in gravel.
- steep incline of 725.
- The large hill coming from Feedwire! No/limited bike racks, bike parking in downtown.
- The walking path is rather steep and not constructed effectively for walking and biking. Also the path is not illuminated. The portion of asphalt walking and biking path between Vemco and downtown is falling apart and not stable.
- Crossing 725 several times to stay on bike path crossovers.
- Path is on wrong side of 725.
- You have to cross 725 twice to get to downtown from west end.
- Crossing bridge on 725 at Little Sugar Creek, no bike lanes, rough unlevel walkways.
- From the Vineyards we could use a Sidewalk on little sugar creek rd to downtown, maybe on the newly donated land from highview?
- Little Sugar Creek is dangerous to walk/bike on - too narrow, no bike lanes/sidewalks.
- Little Sugar Creek, it would be nice to have a walkway from the Possum Run area down to Dot’s.
- More bike paths needed.
- Need bike path.
- Lack of connecting sidewalks.
- lack of sidewalks.
- Little Sugar Creek, Belleview, and Feedwire have no walking paths or sidewalks and are scary to walk on.
- Much of the area in residential does not have sidewalks and it makes it dangerous to walk downtown with young children.
- No cross walks or sidewalks.
- No sidewalk on little sugar creek.
- no sidewalk on Little Sugar Creek.
- No sidewalk on Little sugar creek and lack of police enforcement of speed limit on rd make it dangerous.
- No sidewalk or bike path.
- No sidewalks.
- No sidewalks.
o No sidewalks
o no sidewalks in older additions
o No sidewalks/bike path continuous to downtown Little Sugarcreek
o No walking path alongside Little Sugarcreek
o No walking paths through the Sugar Leaf suburb to downtown (i.e., lower portion of Possum Run down Little Sugarcreek), or cutting through to 725
o Not enough sidewalks.
  o Sidewalks
  o South Linda is dangerous to walk along; the neighborhood streets are dangerous to bike on and so it is too dangerous to try to bike from my house to the bike path
  o The highest income neighborhoods, like the one I live in, are not connected to the city. You are consistently turning away money. The former city manager, Mark Schlagheck said he had no interest in connecting our neighborhood.
  o There are sections without a sidewalk which makes walking or cycling dangerous
  o There isn’t a sidewalk once you hit the intersection of 725 and Little Sugarcreek - not safe for kids
  o Too far and no sidewalk access.
  o unable to walk to Magee Park with our kids because there is no sidewalk/bike trail
  o Bike trail down the hill into town is narrow and surface very uneven.
  o Bike path goes north to siuth
  o 3 small children ;)
  o Blind corners on side streets, once downtown you are dumped into traffic without proper safety and signs then no where to park your bik
  o Country roads but i like the country roads
  o It is not safe to walk or bike from my home to downtown. The traffic is way too heavy and drivers are not courteous.
  o It is not safe with a child to walk or bike from our house on Tareyton Dr. down N. Belleview and Kensington Dr.. From our cul-du-sac, we could have been connected to Fowler Dr. which has sidewalks but the walk was never built.
  o little sugarcreek rd
  o No bike path and I do not like to bike on street. The cars go pretty fast and it scares me.
  o Not safe to walk or bike on Little Sugar Creek Road
  o Speed of cars
  o Speed traps
  o Speeding cars
  o Too much traffic on Franklin; don’t feel comfortable driving beside cars
  o Traffic....SPEEDERS
  o Busy country roads
  o Lower Bellbrook Rd. not safe for pedestrians or biking
  o No safe path along Little Sugar Creek
  o No safe place to walk along little sugarcreek
